- **\$2,500 to Tale Tellers of St. Augustine** to fund instructors for "The Picture in the Story" program which teaches St. Augustine elementary students ways to integrate visual arts and storytelling.

THE COMMUNITY  
FOUNDATION  
FOR NORTHEAST FLORIDA

- **\$2,500 to Lightner Museum** for a lecture /demonstration event in conjunction with the “Dressing Downton” exhibition
- **\$2,500 to Memorial Presbyterian Church** for a visual arts summer camp hosting children from Memorial Presbyterian Church and St. Paul AME St. Augustine
- **\$2,500 to St. Johns Cultural Council** for two community initiatives of the Art Galleries of St. Augustine

**2016**

- **\$40,000 (\$20,000 a year for 2 years) to Flagler College, Crisp-Ellert Art Museum (CEAM)** To develop and fund an artist residency program in collaboration with Flagler College's Department of Art and Design. Each academic year, CEAM will host one to three residencies. Artists will be selected based on their ability to collaborate with broader fields of study within the college.

- **\$10,000 St. Johns County Cultural Council** to support the 2016 Plein Air event in celebration of the Centennial Celebration for the National Park Service, and the subsequent exhibit of the work at the Lightner Museum.
- **\$7,000 The Lightner Museum** to fund professional restoration of five significant pieces from the permanent collection and return them to public display. The pieces will be featured as part of the "Dressing Downton" Exhibition (based on the PBS series Downton Abbey) which will open in October 2017.
- **\$10,000 St. Augustine Lighthouse & Museum** to create a year-long series of Maritime Folk Art Workshops, to be held in view of the museum's 200,000+ annual visitors. Focusing on folk traditions recognized by the State of Florida, the workshops will be open to the public and will feature selected artists practicing Menorcan fishnet making, palm frond weaving, traditional boatbuilding, rope making, and more.
- **\$5,000 tag! Children's Museum of St. Augustine** to present 24 Beautiful Mind Educational Workshops connecting art with science and nature. All workshops will take place next to the San Sebastian River, and classes can accommodate a total of 250 students, ages PreK-14.
- **\$2,500 St. Johns County Cultural Council** to fund publication and distribution of 20,000 brochures featuring the member galleries of the Art Galleries of St. Augustine (AGOSA).

## 2015

- **\$15,000 to Compassionate St. Augustine-Obelisk Art 450** for each regional artist participating in its Obelisk Art 450 project to receive an additional \$500 honorarium for materials and production costs. The grant will also help fund a professional photographer to shoot the artworks for the artists' portfolios, and for a commemorative book to be sold at the St. Augustine Visitors Information Center.
- **\$10,000 to Crisp-Ellert Art Museum, Flagler College** for a series of eight special events by visiting artists and scholars relevant to the scope of the 2015-16 exhibition series. This includes master classes, gallery talks and performances which will be open to students and the community at-large.
- **\$5,000 to Vilano Beach Main Street Association** for materials and artist instructor fees to complete a mosaic in the fountain located in the Vilano Beach Town Center. Students from the Florida School from the Deaf and Blind will work with professional artists to complete the project during the school year, and a public dedication will take place in September 2016.
- **\$2,500 to Limelight Theatre** to support promotional materials for visual art exhibitions in its theatre gallery. The theatre partners with the St. Augustine gallery cooperative, Starving Artists, to feature exhibits of local artists. The Limelight Theatre hosts more than 16,000 patrons annually.
- **\$2,500 St. Johns County Cultural Council** to fund publication and distribution of 20,000 brochures featuring the member galleries of the Art Galleries of St. Augustine (AGOSA).
