

**The Investment Committee of The Board of Trustees of
The Community Foundation for Northeast Florida**

The Investment Committee shall provide oversight over the Foundation's pooled invested assets and its investment advisors. The Foundation's Board of Trustees has delegated to the Investment Committee ("Committee") the responsibility for recommending the establishment and modification of the Foundation's Investment and Spending Policy for Investment Program ("Policy"), and the full power and authority to make decisions related to the assets of the Investment Program, consistent with this Policy, and in compliance with all applicable laws. The Committee is authorized to engage the services of third parties who possess the necessary specialized capabilities and skill to meet the investment objectives and guidelines of the Foundation.
