Share your story

Help us highlight your success! Sharing the faces and stories behind our grants will help donors, potential funders and the community better understand and connect with your work, and build positive publicity for what you are doing. And we'd like to highlight your work as well! We invite you to send us photos of work this grant supports—one to three high quality, high resolution .jpg files would be ideal. Make sure any participants who appear in the photo have appropriate media release documents (if you need a standard photo release form, let us know—we'll be happy to send it to you.) A few sentences giving some context to the photo would be helpful, and of course, your name and contact information.
